This conformity certificate approves the compliance of the product with essential safety requirements of the following EC/EU New Approach Directives as amended:

2014/35/EU Low Voltage Directive

European harmonized standards used for the conformity assessment:

EN 60598-1:2015/AC:2016

The certificate has been issued on the basis of the tests of the product type sample. The results are recorded in the Conformity assessment report 170500190/2 dated 20.10.2017

mark can be used only in the case of conformity assessment according to all relevant EC/EU Directives

This certificate is issued under the following conditions:

1. The certificate applies to the product type and its variations specified in the above mentioned Conformity Assessment report.
2. The production process/factory production control is not covered by this certificate.
3. The certificate does not imply that the certification body has performed any surveillance or control of the production process.
4. The manufacturer shall ensure the conformity of subsequent production items with the certified type.
5. Changes that may affect the conformity with the certification requirements may make the continuation of the certificate validity dependent on the evidence as for the observance of requirements under which the certificate has been awarded, or on an additional evaluation.
